

Country Park Masterplan

- 65 acres of Country Park – a stunning wildlife haven for the local community to enjoy
- New pedestrian and cycle route facilitating safe access for all and connecting the towns and villages to the north and south of the M62 to the new Country Park
- 5km of paths for walking, running and cycling
- A network of paths derived from the coal seams below the site will wind their way through a biodiverse habitat of wetlands, grasslands and woodlands
- 11 acres of broadleaf woodland, eight acres of wetland habitat to be enjoyed and explored
