

Former Cronton Colliery

Knowsley, Merseyside

Tritax Symmetry and the Land Trust are seeking your views on a new employment site and Country Park on land at the former Cronton Colliery in Knowsley, Merseyside.

The proposals for Symmetry Park Merseyside, a one million sq ft employment site, will create hundreds of jobs for the region while the 65 acres of Country Park will be a stunning wildlife haven for the local community to enjoy.

A new pedestrian and cycle route will run along the route of the abandoned mineral railway line, facilitating safe access for all and connecting the towns and villages to the north and south of the M62 to the new Country Park.
